- No opinion: 10%

Do you expect the organisers to enforce such a ban?

- Yes: 18%
- No: 53%
- No opinion: 29%
This year oral sessions in the morning started at 9:00h instead of 8:30h. This may entail longer evening hours or less oral and more poster presentations.

Which starting time do you prefer?

- 8:30h: 2%
- 9:00h: 77%
- no preference: 21%
How do you rate the information provision through the conference site?

- 1 (excellent): 40%
- 2: 46%
- 3: 12%
- 4: 2%
- 5: 1%

Feedback on information provision – I
Feedback on information provision – II

Which is your preferred tool to access information on the session programme?

**During the conference**
- Programme book: 63%
- Website: 16%
- App: 19%
- USB stick: 2%

**After the conference**
- Programme book: 15%
- Website: 68%
- App: 3%
- USB stick: 14%
Feedback on information provision – III

A list of participants was provided on the conference site.

Did you access it?
- didn’t know: 24%
- yes: 55%
- no: 21%

Do you think this is necessary?
- no opinion: 18%
- yes: 76%
- no: 7%
How old are you?

Age distribution

- Below 25: 4%
- Between 25 and 34: 32%
- Between 35 and 44: 26%
- Between 45 and 54: 13%
- Between 55 and 64: 19%
- Above 64: 6%
Which of the EMS & ECAM Programme Groups are most relevant to you?

- Multiple answers possible

**Relevance of programme groups**

- Applications of Meteorology (ECAM): 45%
- The Atmospheric System and its Interactions: 52%
- Climate: 43%
- Communication and education: 18%
- Numerical weather prediction: 42%
- Measurements and Observations: 38%
We plan for workshops in 2016: would you be interested in the following?
